**JEFFERSON EVANS
PRIMARY EXAMINER**

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant contacted the Examiner and asked the Examiner if he could, via Examiner's Amendment, correct the amendment to claim 1 in the AF Amendment (not entered) to correctly incorporate claim 4 rather than claim 5, and cancel claim 42 (which does not actually have to be done since the AF Amendment with claim 42 has not been entered). The Examiner indicated he would do so. With entry of these changes the application is in condition for allowance and prosecution is closed.
